

# CV-TEK RAPIDPAK

*Cutting edge technology from the  
leaders in modified atmosphere &  
form-fill-seal packaging equipment.*

## GRAND OPENING

The CV-Tek and RapidPak team cordially invite you to join us at the Grand Opening of our new facility in Elgin, Illinois!

This state of the art production facility is now home to both CV-Tek and RapidPak to better serve our packaging and complete processing solution customers.

Please join us in celebrating this new facility with plant tours and demonstrations of innovative food packaging technologies.
